# Sherwood Cares Annual Fundraising Gala

Sherwood Cares, the charitable foundation of Sherwood Country Club, held its annual fundraising gala on September 29. Themed as Cirque du Sherwood, the event raised more than \$1.1 million, enabling Sherwood Cares to continue to grant funds to local nonprofits, positively impacting those in need within a 25-mile drive of the club. The evening included famed actor/comedian John O’Hurley serving as the master of ceremonies. Sherwood Cares has granted more than \$6.5 million to 64 local nonprofit organizations. The monies raised fuel the foundation’s mission to support programs that address medical, education, nutrition, and safety needs of children and families in the community. **Photography by Maria McCarthy**
